

# Organic Connections – 2010

## Trade Show Terms & Conditions

The organizing committee would like to provide trade show access to all who wish to participate; however, it is necessary to establish certain guidelines for acceptance of exhibitors on the trade show floor. While every effort will be made to accommodate all who wish to participate, the Organic Connections Board of Directors reserves the right to exclude those displays which do not meet the requirements below.

### Products

Preference will be given to organic products/services. Any products making an 'organic' claim must be certified by a recognized organic certification body. This includes the production and processing of the product. Please submit a copy of the products organic certificate with your application.

### Soil Amendments/Permitted Substances

All products falling into this category must be approved by an accredited organic certification body. Non approved substances will be excluded.

### Trade Associations & Industry Groups

For any association or group that does not have a readily apparent relationship with the organic industry, a brief policy statement detailing the relationship is required. The committee reserves the right to exclude any association which is deemed to be outside the scope of the conference theme.

### Insurance

Confirmation of Exhibitor Insurance is required as follows:

1. The tradeshow exhibitors need to provide \$2,000,000.00 liability.
2. The tradeshow exhibitor should consider a minimal amount of Tenants Legal Liability.
3. The tradeshow exhibitor should include as an additional insured Organic Connections Inc., the City of Saskatoon and TCU Place.
4. The certificate of liability should show items 1-3 inclusive.
